2027 SPONSORSHIP OPPORTUNITIES

The 17th Annual *A Taste for Art*: **Small Wonder, Big Canvas** is an evening where **art is on the menu**. From gallery-worthy works to thoughtfully crafted culinary creations, guests will experience art on the canvas, on the plate, and throughout a night dedicated to creating brighter futures for children and families across Delaware.

Event sponsorship offers a unique opportunity to connect with Delaware's most influential corporate, civic, and community leaders. As the primary fundraiser benefiting Children & Families First, your sponsorship provides valuable recognition while demonstrating your commitment to strengthening children, families, and communities across our state.

We invite you to review the opportunities and **choose your place on the canvas**. By adding your name to this celebration, you'll help create brighter futures for children and families across Delaware. In gratitude, we will proudly shine a spotlight on your investment and partnership, recognizing your commitment to helping children and families access the services and support they need to thrive.
